

C A A T G A C T G T

The image displays a DNA sequence: C A A T G A C T G T. Each letter is rendered in a different color and has a corresponding colored line below it, representing its base pairing partner. The sequence is: C (blue), A (green), A (green), T (red), G (yellow), A (green), C (blue), T (red), G (yellow), T (red). The lines below the letters are: C (green), A (red), A (red), T (green), G (blue), A (blue), C (red), T (blue), G (blue), T (blue).
