

G G C C A C G T G

The image displays a sequence of nine nucleotide bases: G, G, C, C, A, C, G, T, G. The bases are color-coded: G is yellow, C is blue, A is green, and T is red. The first G has a red bar below it, the second G has a blue bar below it, the first A has a red bar below it, and the last G has a blue bar below it.
